

KNOW THE DIFFERENCE!

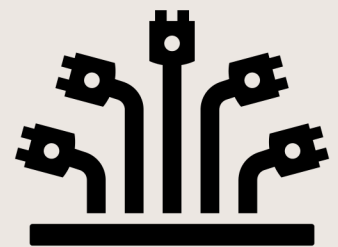

Managed Wi-Fi and CableTV Services are not the same.

- Cable speeds quoted are minimums, not maximums

- Same upload and download speeds

(300x300 vs 300x25)

- Own your own wiring

- No more exclusive marketing agreements

- Revenue Share options

- ZERO upfront cost options

- Secure Wi-Fi for your residents throughout the property, not just in their unit.

- Increased NOI via amenity fees
(Owner controls revenue stream)
